### **DOG FOULING**

A number of people in Lydbury North village have asked for a **strong** reminder about not leaving your **Dog's Mess** behind.

This is currently a really unpleasant problem in the village; dog faeces, dog poo, dog mess, dog shit - all disgusting, anti-social and should not be piling up where people walk - **as it is at the moment**.

You may not see anyone else whilst out walking your dog but other people will certainly pass by there later on - so **PLEASE** pick up after your dog.

If a dog is allowed to wander out on its own it will defecate on its own so please keep an eye on your dog at all times
